# API Integration & Development

At Sandbox Technology, we specialize in integrating and developing a wide range of APIs to enhance functionality, connectivity, and performance across web and mobile applications.

Our API Integration Expertise Includes:

- Google Maps API – Seamless location and mapping integration.
- Zoho CRM API – Efficient CRM data synchronization and workflow automation.
- SMS Gateway API – Reliable messaging and notification systems.
- Courier Delivery API – Real-time shipment tracking and logistics management.
- Email Gateway API – Scalable and secure email communication integration.
- Payment Gateway APIs – Integration with major platforms like PayPal, Stripe, Razorpay, Cashfree, Paytm, CCAvenue, and many others.
- Custom API Integrations – Tailored solutions built to meet specific client requirements.

Custom API Development:

Our team also designs and develops custom APIs for web and mobile applications, enabling smooth data exchange, third-party service connectivity, and improved system scalability.

## Email Templates

- At Sandbox Technology, we create responsive, visually captivating, and brand-aligned email templates that leave a lasting impression. Whether it's a newsletter, promotional campaign, or clickable HTML email signature, our designs are tailored to reflect your **unique brand identity** and enhance engagement.
- By combining email marketing with **automation**, we help businesses:
- Scale their marketing efforts efficiently
- Improve **customer retention** and loyalty
- Deliver personalized customer experiences
- Generate **higher-quality leads**
- Gain valuable insights through data-driven campaigns
- Significantly **boost ROI** through smarter outreach strategies
- With over **50+ custom email templates** successfully designed and delivered, our team ensures every campaign looks exceptional and performs even better.

## Testimonials

I had a fantastic shopping experience on this eCommerce site! The selection of men's T-shirts is impressive, and the website is easy to navigate. I found exactly what I was looking for, and the checkout process was seamless. My order arrived quickly and exceeded my expectations!

**Arya-G**

I had a wonderful experience using this travel website! The booking process was simple, and I found great deals on flights and accommodations. Customer support was responsive and helpful, making my trip planning stress-free.

Highly recommend!

**TravelOne**
